Transcript:

0:00

hi all

0:02

i've been informed by many sources and

0:05

also observed online

0:08

not least because of my discussions with

0:09

a variety of muslim thinkers supporters

0:12

and critics

0:13

that i have developed an audience in the

0:15

muslim world

0:19

i would first like to say that i could

0:21

not be more pleased or honored that such

0:23

is the case

0:25

it has been so heartening to see that my

0:27

biblical lectures for example attracted

0:30

a large muslim audience

0:32

and that the comments from the muslim

0:34

watchers and listeners to my youtube

0:36

channel and podcast

0:38

have been so extraordinarily positive

0:41

and all this is lovely to see

0:43

in the aftermath of the extraordinary

0:46

abraham accords

0:48

which have laid out the possibility for

0:50

peace between all the people of the book

0:53

in an unprecedented manner

0:56

and i have something to say as an

0:57

extension of all of this

1:00

please forgive my presumption if you

1:03

would

1:05

it is time for those of you

1:07

in the muslim world

1:09

to stop fighting among yourselves you

1:12

shiites and sunnis

1:14

and also time to stop regarding the

1:16

christians and even more specifically

1:19

the jews

1:20

as your enemies

1:23

why

1:25

not least because you have the enemy

1:27

located in the wrong place

1:30

first

1:32

the best place to find satan let's say

1:36

is within

1:37

if you think the true enemy is in

1:39

someone else's heart

1:42

then you haven't thought nearly long

1:44

enough

1:44

about the darkness within

1:47

and you have therefore fallen prey to

1:49

the most subtle temptation of the

1:51

ancient

1:52

demonic spirit

1:55

so your best bet on the spiritual

1:58

warfare front is to make of yourself and

2:01

your muslim practice something so

2:03

admirable

2:04

that the light shining from your

2:05

well-constituted psyches and productive

2:08

generous and wise actions is so intense

2:12

that people convert to your faith from

2:15

sheer admiration

2:18

there's a goal

2:20

second far more unites you with the

2:24

other people of the book

2:25

as your own prophet himself peace be

2:28

unto him forthrightly said

2:31

than what divides you

2:33

you all believe for example

2:35

in a book

2:37

you all believe for example in god

2:39

and believe that you have an ultimate

2:41

duty to that god

2:43

you are all followers of a prophetic

2:45

tradition

2:46

and that is a tradition that unites the

2:48

wisdom of the past with the vision and

2:51

voice of those willing to see and speak

2:54

truly and lovingly

2:56

in the present

2:57

and you are all threatened

2:59

in a very real sense

3:02

by the system of vengeful luciferian

3:05

ideas

3:06

that currently confronts all that is

3:08

transcendent traditional and valuable

3:12

on the sexual front on the familial

3:14

front

3:15

on the conceptual front on the

3:18

psychological and sociological front

3:22

and

3:23

in the final analysis

3:25

on the theological front

3:29

so how about we all quit squabbling over

3:32

trinkets and details

3:34

and face the real problem

3:37

and i should also point out

3:39

that it is not the individual carriers

3:42

of the woke politically correct

3:44

degenerate neo-marxist ideas

3:48

that should be regarded as the enemy

3:50

either

3:52

first we must take the idea that the

3:54

satanic impulse within

3:56

is the prime enemy

3:58

with all due seriousness

4:01

second

4:02

we must understand that even those quite

4:04

possessed by the spirit of cain that

4:07

attracts and drives confused and lost

4:10

people to the luciferian ideologies of

4:12

the materialist utopians are in the

4:16

ideal

4:17

fully redeemable and only

4:20

partially consumed

4:22

even the committed student ideologues

4:24

who have for example attacked me and

4:27

others like me rather viciously are

4:29

generally say 90 percent or perhaps 80

4:33

reasonable and potentially civilized

4:36

people

4:36

who could still see the light

4:40

muslims reach across the sectarian

4:43

divide

4:45

shiites

4:47

find a sunni pen pal

4:49

communicate with someone on the other

4:51

side sunnis do the same

4:54

and then maybe reach out tentatively

4:58

to a christian or even heaven forbid

5:02

a jew

5:04

because perhaps it is time

5:06

for those who purport to be followers of

5:09

god

5:10

to act like it

5:12

and to be convincing in those actions

5:15

even to those whose premature cynicism

5:18

and skepticism

5:19

have driven them into the towers of

5:21

babel

5:23

constructed by the avatars of the

5:25

resentful intellect

5:28

is there someone in the muslim world

5:30

willing to build an electronic system to

5:32

bring people from the sunni and shiite

5:34

community together

5:36

a place where people of goodwill could

5:38

reach electronically across the divide

5:40

person to person

5:42

and to formulate the kinds of personal

5:44

trusting friendships upon which a

5:46

lasting peace truly might be founded

5:50

a place where jews and christians

5:52

willing and eager to open communication

5:55

with their muslim brothers

5:57

might do

5:58

just that

6:01

there's a task for someone looking for a

6:03

purpose and it's an open invitation to

6:05

do just that if you build it

6:08

they will come

6:10

if you build it

6:12

get in touch with me

6:13

you'll figure out how to do it

6:15

and i'll publicize it

6:18

thank you all my muslim listeners

6:22

watchers and readers

6:24

for your kind attention

6:26

and patience

6:27

i wish you well

6:30

as you strive to become the light in the

6:32

world that your faith truly demands

6:36

let's see if we can unite as people of

6:38

the book and negotiate our way

6:41

toward the paradise that we might truly

6:44

and jointly

6:45

attain.

Description Section:

In the aftermath of the Abraham Accords, Dr Jordan B Peterson suggests that the Muslim community can set a historical example by reaching across the aisle and making contact with whom they regard as "the enemy."
